Growers and Collectors of

FOREST AND SHADE

AND ORNAMENTAL SHRUBS

McMINNVILLE, TENNESSEE

Season of 1916-17

TERMS OF SA

CASH or satisfactory reference, with sufficient time to investigate before shipment, is invariably required of parties unknown to us. To responsible, prompt paying parties, we will extend usual time for payment.

SHIPMENTS—When ordering, please state plainly whether freight or express shipment is desired, and give route if by freight. In the absence of this information we will use our best judgment without assuming any responsibility as to delivery. Goods are at purchaser's risk and cost after delivering to the forwarding company.

GUARANTEE—We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutally agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

NUDSERV CROWN STOCK

Seeds—5 pounds at 10 pound rates; 25 pounds at 100 pound rates. No charge for bags, boxes or barrels for seeds. Trees and Shrubs—500 at 1,000 rate, 5,000 at 10,000 rate. Boxing and baling at cost.

These are grand flowering shrubs. There is a wide range of color, and not a day from the middle of July until September—a time when so few other shrubs are in bloom—that Altheas are not aglow with flowers. They have no insect enemies, grow well anywhere, are splendidly suited for shrubbery borders, for colony plantings and hedges. The planter who uses them freely makes no mistake.
